Quick reference guide

> UNESCO - A Teacher's guide on the prevention of violent extremism

This document provides a set of resources that can help build and reinforce national capacities to address the drivers of violent extremism through wholistic and pragmatic education sector-wide responses.

> Step Together

Step Together has an extensive list of resources and materials to help you better understand and navigate issues surrounding violent extremism, radicalisation, online safety and facilitating conversation.

eSafety Commissioner

> Toolkit for Schools

The eSafety Toolkit for Schools is designed to support schools to create safer online environments.

> The eSafety Guide

Find out how to protect your personal information and report harmful content on common social media, games, apps and sites.

> eSafety Education

The eSafety Commissioner has a range of exceptional resources for teachers such as Professional Learning and Classroom Resources.

> Young Men Online

eSafety's young men online research series explores their experiences and the ways that they can be supported online to develop healthy and positive masculinities.
